

On  
Wednesday  
the 14<sup>th</sup> June  
Macarthur

show cased our Centre-  
based services to  
Therapeutic Recreational  
students from Texas State  
University. 25 students  
and 2 lecturers had the  
best time participating in  
programs at Camden  
Activity Centre, MDSI and  
Myrtle Cottage. The  
students returned to Myrtle  
Cottage to have a lovely  
BBQ cooked by Ingleburn  
Rotary. Then we had  
presentations about how our  
services are funded and  
implemented by very passionate  
presenters Kylee Blackwell  
(ADHC), Peter Hickey (St Vincent  
De Paul) and Carmel Dengate  
(Macarthur Accommodation  
System). Thank you to everyone  
who participated on the day.
