Just received a newsletter and Easter eggs. Thank you for remembering the volunteers and for looking after the members during this unfortunate time. Please wish all the staff an enjoyable Easter. Hope we can all return to the cottage soon.

Thank you so much for my visit this morning really touched my heart!! Was nice to see the Myrtle Cottage bus out the front of my house too!

WISHING EVERYONE A SAFE AND HAPPY EASTER!!

Thanks Margaret.
Great to hear that the Cottage is still active in assisting its' members. And it was also great to get a visit from Gary (bus driver) this morning who delivered a hard copy of the newsletter. The little Easter eggs were terrific. I managed to have one.... the missus snaffled the other 2.

Looking forward to the day when things return to normal.

cheers and regards to all.
